

The 2024 Kraken Cup Point System:

20 points for a 1st place finish in a final, 19 for 2nd... down to 20th place.

10 points for a 1st place in a preliminary, 9 for 2nd... down to 10th place.

If there is a tie on points for first place, the winner is based on the athlete with the most 1st place wins in a final. If there are no first place finishes amongst swimmers, the winners is based on the most 2nd place finishes. This continues to most 3rd places, 4th places, etc. until a winner is decided.

Triathlon Alberta's event official is responsible for the results of the event. If you have any concerns about the points system or results, please contact the Head Official Mike Chui (please message info@trikronos.com to get connected to the Head Official).
